

HOSPITALITY MICRO-CREDENTIAL (HSPT)

HSPT 1001 Credits: 0

Future of Hosp Micro-cred Total Hours: 42

This blended micro-credential introduces students to the hospitality industry – a dynamic, fast-paced industry with extensive opportunity for engaging employment. Students will explore the origins and evolution of hospitality, and the varied areas and career opportunities within the industry, including Indigenous Tourism. Participants will learn from industry professionals and get first-hand experience observing industry specific careers at a variety of local hospitality venues. Students who complete the micro-credential will acquire in-demand entry level knowledge and skills for employment, and a learning pathway to further improve their qualifications and expand career opportunities within the hospitality industry. The goal of the HMC is to prepare students for continued studies in hospitality, and/or entry level employment within the hospitality industry.
